

Head Quarters 114th Inf. Vol.
Senary town Md. April 26th 1865

Dear Brother

Your letter was duly recd and
gladly perused, day before yesterday. I recd
a letter from mother the night before we left
Summit Point, but did not have time answer it
before we left there. We left there the 18th inst. and come
through to Washington on the Cass. We are camped
now on the same ground that you camped on when
you came to Washington last summer. It is about
four miles to Washington from here. I went
down yesterday to see Doctor he is
I stayed all day with him. I don't
as you will be able to read this for Sam
in a great hurry. For ~~it~~ we have got orders
to "move in a moments notice". we are
going over to Fort Stephenson where the
rest of the Division is. That is our twentieth St.
so I wont be a great ways from the Dr.
I havent got time to write any more.

Give my love to all.

Your Affet Brother Jno. T. Brand

P.S. Do not direct to Hancock's
Corps. for we are not under his command
direct to the Regt at Washington
is sufficient.
